WORD ABBREVIATIONS

SUPERSEDURE NOTICE

Supersedes Word Abbreviations dated 1 December 1963 and Supplement No. 3 dated 1 October 1968

CONTENTS

This publication contains both word and phrase abbreviations and is published in two parts.

Part I is arranged in alphabetical sequence by abbreviation to word and/or phrase.

Part II is arranged in alphabetical sequence by word and/or phrase to abbreviations.

Look for the desired abbreviation under both word and/or phrase. The same abbreviation has sometimes been used for more than one word when common usage dictated it. Example: W-Watt
W-With
